January 1, 2025

Dear Bogota Resident:

It is my pleasure to wish everyone a very Happy and Healthy New Year. This year will bring continued sustainable practices to our Borough and each and every one of you can be a part of our success and make a difference to our community, our environment and conserving our resources. We will continue to focus on public health, the environment, quality of life and keeping you and your families safe.

I am pleased to present you with our new Borough Garbage and Recycling Calendar for 2025. This is your guide for the entire year. There will also be copies available in the Clerk's Office as well on the Borough website in case you misplace it.

Bogota takes recycling and sustainable practices very seriously and Bogota continues to hold Sustainable Jersey Bronze certification for its exemplary practices. We are always exploring new ways to enhance services to our residents and respond to their recycling concerns. Our recycling depot is currently located at the Swim Club parking lot. The Cross Street location has been closed. Our depot accepts many types of recyclables such as: used cooking grease, waste oil, cardboard, fluorescent bulbs, bottles, cans, used tires, and metal. You may also drop off textiles and shoes at the Crime Stopper bin at Quick Chek to support this very successful program. Feel free to call Borough Hall at 201-342-1736 for more information. We will continue to pick up recyclables at your curb every Wednesday throughout the year. Our services have been and will always be generous to our residents. We continue to collect plastic film at the Borough Hall, Library and Police Station bins as well as unused prescription drugs at our police station. The amount of material collected is impressive and helps us maintain our Sustainable Jersey certification that I am personally proud of. Recycling also provides us with Clean Communities funding and other grants. We have increased our recyclable bins throughout the Borough this year.

Last year was extremely challenging for everyone and the cost of living continues to increase. I know it has not been easy. Residents are generous in providing free clothing and household items on the community Facebook pages and reuse is welcome. Our community spirit and assistance to those in need is what sets us apart. Bogota is full of very warm and generous residents who help their neighbors. We continue to ask our local businesses to enhance and increase their recycling and offer our assistance where needed. Businesses are a vital part of our community and can join our sustainable efforts.

Finally, I thank all of you for your continued efforts. I have enjoyed my first year as your Mayor of this wonderful community. Always feel free to contact me anytime. Continue staying healthy and safe and always continue to recycle every day.

Daniele Fede

Mayor Daniele Fede
Borough of Bogota

Council Members:

Connie Carpenter • William Hordern • Lisa Kohles
Patrick H. McHale • John Mitchell • Diana M. Vergara
